

## GLENORA PRESCHOOL INFORMATION SHEET

*Glenora Preschool is a parent owned, parent operated cooperative offering classes for children ages 3 and 4 years old. Classes are held in the Glenora Community League located at 10426 – 136 St.*

Glenora Preschool is a uniquely diverse and inclusive program for children ages three and four. We provide a safe, nurturing and stimulating environment where children can grow to their full potential through:

- An art based program.
- Quality programming with a focus on each individual child's needs and interests.
- Whole child development wherein each child is nurtured emotionally, socially, physically, creatively, and intellectually.

Because of the teacher/adult to child ratio (2 teachers and 1 parent volunteer for 15 children), the teachers are given an excellent opportunity to really get to know your child and what his or her needs are. The teachers are able to guide your child to an area of play that best suits his or her learning needs. The program is designed to balance physical and intellectual needs with your child's social and emotional needs.

Glenora Preschool is fortunate to be able to utilize a co-teaching format. Our teachers share equally in the preparation of the program and in classroom duties. Our teachers have created a positive, stimulating, warm and caring environment for our children. They are readily available and willing to discuss any questions or concerns.

Being a cooperative preschool, parents volunteer for a special day in their child's class every 6 to 8 weeks. They assist the teachers, bring a snack and spend special time with their child. Parents also choose a job from a job selection list (provided in the registration package). Everyone's contributions help make the preschool the success that it is! Most importantly, we believe that the cooperation between parents and teachers in reinforcing common goals, hopes and caring is an unbeatable combination!
